Freedom Park Updates:

Tom reported that there has been a lot of grading in the roadways. Tom advised that the heavy rain has moved the gravel into the low spots in Freedom Park.

Tom also reported that because of the weather he is behind with the mowing in the park. The weather will also put us behind on the volleyball court. Tom advised that he has augered the holes in but has pumped those holes three (3) times but the saturated ground just keeps refilling the holes. So, this weather will set the volleyball court project back a week or so.

In other business, all our machinery is in good shape.

Dog Park Update:

As of June 15 we have \$3,270.00 in membership revenue.
