CULTIVATING COMMUNITY

HARRISON RECONSTRUCTION PROJECT

FACT SHEET

1. Project Limits: Harrison from Burr Street to Prairie Street; Prairie Street from Harrison to Kankakee.
2. Work to be completed: Complete roadway removal and reconstruction including the installation of storm drainage, curbing and sidewalks; water main and service replacement; and sanitary sewer rehabilitation.
3. Anticipated Project Schedule: Water main reconstruction to begin in early August of 2020 through the winter of 2020. Sanitary sewer rehabilitation to begin in late August of 2020 through October of 2020. Road reconstruction to begin in the spring of 2021 and be completed before winter of 2021.
4. Project Cost: \$2.54 M.
5. Project Funding: \$1.0 M from INDOT Community Crossing Grant. \$176,000 from Sanitary Sewer Utility. \$665,000 from Water Utility. \$604,000 from Stormwater Utility. Remaining funding from Local Road and Street or MVH fund.
6. Contractor: Dyer Construction, Inc.
7. Anticipated Road Closures: 2020 - Temporary closures of Harrison Street and side streets for the installation of the water main and rehabilitation of the sanitary sewer. Spring, 2021 through winter 2021 – Closure of Harrison Street and side streets to through traffic. Local traffic will be able to utilize the roadway with minor delays.
8. How can the residents help the Contractor/Town?
 - a. Residents should not park along Harrison Street.
 - b. Residents may need to share driveways with the neighbors from time to time.
 - c. Mail and trash collection may be difficult from time to time. Dyer Construction and Lowell Staff may temporarily modify pickup locations to accommodate construction, Republic Services and the US Post Office.
 - d. Drive slowly through the construction zone.
 - e. Notify Dyer Construction Superintendent and/or Lowell Staff with any project related issues.
9. Important telephone numbers:
 - a. Dyer Construction – 219.865.2961
 - b. Lowell Department of Public Works – 219.696.7794
