

Lowell Metropolitan Police Commission Chief's Report

March 27th, 2025

Hiring Process: We are ready to make a conditional offer of employment tonight, for the newly budgeted position.

Vehicle Update: We are still waiting for the 2 vehicles to be upfitted.
K9 Bowling Fundraiser: Addison and Savannah Brown are again coordinating an event for us that is scheduled for June 20th.

Kitchen Remodel: I wanted to thank Saco Industries for donating kitchen cabinets and countertops and the labor to install them. Our kitchen area is in dire need of attention and our cabinets are in poor condition. We hope to get that completed soon.
